WORK EXPERIENCE

Barista   Notes Coffee | London   Dec 2021 - to present
Working in busy popular local coffee shop. Each day greeting customers and making them feel welcome. Delivering high-quality customer service at lightning speed with visually appealing presentation including latte art.

Waiter   Abshar Restaurant, London   Nov 2019 – March 2020
working efficiently with team members to ensure all tables received excellent service, providing assistance to colleagues when required. Always aware of guest satisfaction to deliver the perfect service experience.

Volunteer   West Croydon Baptist Church   2018 - to present
Explaining tasks to the new Volunteers. Working together in a team to help Refugees with food, clothes and so on.

Owner   Uaral Internet Café / Iran   Feb 2017-Nov 2017
helping customers with various queries regarding email account and other online queries like restoring files, registrations. I improved my resilience, self-confident, time management and communication there as I was working hard and I was the owner.
